

## The Secret Agent

A common and ordinary shopowner, those are the terms his own family would use if they were to describe Adolf Verloc. What no one knows or dreams is that Verloc is everything but ordinary. A secret agent in charge of causing social disturbances to the advantage of the foreign country that employs him, Verloc has been, thus far, entirely successful in keeping his two lives apart. But when he receives the mission of placing a bomb in an observatory in order to stir a rebellion, will Verloc manage to keep the consequences of this disaster away from his home and his family?
