

The Sign of the Four : [Illustrated] [More Than 44 Pictures Included] [Free Audio Links] (The Sherlock Holmes Mysteries Book 2)

The Sign of the Four Sir Arthur Conan DOYLE (1859 - 1930) The Sign of the Four (1890), also called The Sign of Four, is the second novel featuring Sherlock Holmes written by Sir Arthur Conan Doyle. Doyle wrote four novels and 56 stories starring the fictional detective. The story is set in 1888. The Sign of the Four has a complex plot involving service in East India Company, India, the Indian Rebellion of 1857, a stolen treasure, and a secret pact among four convicts (the Four of the title) and two corrupt prison guards. It presents the detectives drug habit and humanizes him in a way that had not been done in A Study in Scarlet. It also introduces Doctor Watsons future wife, Mary Morstan.
