

The Sketch Book of Geoffrey Crayon, Gent. [Pseud.] Volume 1-2

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1824 edition. Excerpt: ... catastrophe of this learned Theban, that I burst into an immoderate fit of laughter, which broke the whole illusion. The tumult and the scuffle were at an end. The chamber resumed its usual appearance. The old authors shrunk back into their picture-frames, and hung in shadowy solemnity along the walls. In short, I found myself wide awake in my corner, with the whole assemblage of book-worms gazing at me with astonishment. Nothing of the dream had been real but my burst of laughter, a sound never before heard in that grave sanctuary, and so abhorrent to the ears of wisdom, as to electrify the fraternity. The librarian now stepped up to me, and demanded whether I had a card of admission. At first I did not comprehend him, but I soon found that the library was a kind of literary preserve, subject to game laws, and that no one must presume to hunt there without special license and permission. In a word, I stood convicted of being an arrant poacher, and was glad to make a precipitate retreat, lest I should have a whole pack of authors let loose upon me. A royal poet. A royal poet. Though your body be confined, And soft love a prisoner bound, Yet the beauty of your mind Neither, check nor chain hath found. Look out nobly, then, and dare Even the fetters that you wear. Fletcher. On a soft sunny morning in the genial month of May, I made an excursion to Windsor Castle. It is a place full of storied and poetical associations. The very external aspect of the proud old pile is enough to inspire high thought. It rears its irregular walls and massive towers, like a mural crown, round the brow of a lofty ridge, waves its royal banner in the clouds, and looks down, with a lordly air, upon the

surrounding world. On this morning the weather...
