

The Three Musketeers (Vintage Classics)

A much-loved swashbuckling tale. Cardinal Richileus machinations are no match for the Musketeers determination to act one for all and all for one!The young DArtagnan travels to Paris determined to join King Louis XIII's elite guards. Hot-headed and raring to prove himself, DArtagnan challenges three strangers to a duel. These strangers are none other than the daring band of Musketeers Porthos, Athos, and Aramis. DArtagnan's fearless spirit impresses them and the Musketeers take him under their wing. Soon, the wicked plots of Cardinal Richelieu and Milady de Winter propel the four musketeers to adventures on horseback, across seas and over rooftops to defend the honor of the Queen and protect the life of the King. This is a rousing tale of thrilling swordplay and royal intrigue, brave friends and the basest treachery.
