

Together We Walk Parks and Paths of the Kansas City Area

For a pleasant and easy stroll, take a short garden features loop and begin walking in the city parks of the Kansas City area. Some of the naturally wooded parks have hundreds of acres with a wonderful system of pedestrian nature pathways where you can observe nature close up. Some well-traveled paths are in mature forests, just minutes from business and homes. Together We Walk- Parks and Paths of the Kansas City Area provides an open invitation to visit the great outdoors and serves as a preview of some of what nature has to offer.
