

Told in the Drooling Ward

Me? Im not a drooler. Im the assistant, I dont know what Miss Jones or Miss Kelsey could do without me. There are fifty-five low-grade droolers in this ward, and how could they ever all be fed if I wasnt around? I like to feed droolers. They dont make trouble. They cant. Somethings wrong with most of their legs and arms, and they cant talk. Theyre very low-grade. I can walk, and talk, and do things. You must be careful with the droolers and not feed them too fast. Then they choke. Miss Jones says Im an expert. When a new nurse comes I show her how to do it. Its funny watching a new nurse try to feed them. She goes at it so slow and careful that supper time would be around before she finished shoving down their breakfast.
