

Victory: An Island Tale

[...]as the year 1899, he became notably active in a certain short story of mine published in 1902. Here he appears in a still larger part, true to life (I hope), but also true to himself. Only, in this instance, his deeper passions come into play, and thus his grotesque psychology is completed at last. I don't pretend to say that this is the entire Teutonic psychology; but it is indubitably the psychology of a Teuton. My object in mentioning him here is to bring out the fact that, far from being the incarnation of recent animosities, he is the creature of my old deep-seated, and, as it were, impartial conviction. J. C. [...].
