

The Secret Garden (Websters Dutch Thesaurus Edition)

Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-Dutch thesaurus at the bottom of each page, this edition of The Secret Garden by Frances Hodgson Burnett was edited for three audiences. The first includes Dutch-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL? or TOEIC? preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or Dutch speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in Dutch in order to take foreign service, translation certification, Advanced Placement? (AP?) or similar examinations. By using the Websters Dutch Thesaurus Edition when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in Dutch or English. TOEFL?, TOEIC?, AP? and Advanced Placement? are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book. All rights reserved.
