

White Fang (Annotated)

This Edition Features? A Detailed Biography of Jack London? A Fully Interactive Table of Contents? Superior Kindle Formatting? White Fang is one of the most popular works of American fiction from the dawn of the 20th century. In the untamed wilderness of the Yukon, the rule of law is kill or be killed, eat or be eaten; yet here men come to make their fortunes. Mirroring the themes explored in London's renowned *The Call of the Wild*, *White Fang* follows the slow transformation of a feral wolf into a domesticated companion whose outsiders eyes provide an unflinching look into the nature of man. Seahorse Classics brings great works of literature to life in digital format, upholding the highest standards in e-book production and celebrating reading in all its forms.
