

## The New Atlantis

The New Atlantis by Sir Francis Bacon is a utopian novel written in the early 17th century. This classic book depicts the mythical land, Bensalem, believed to be located off the western coast of the continent of America. Bacon recounts the description of a wise man on the details of their system of experimentation and method of recognition of inventions and their inventors. This is key work on the idea of an Atlantis and is a popular work by one of the most important English writers. This title should be read by those interested in beliefs of Atlantis, and those who are fans of the writings of Francis Bacon
