

Windy McPhersons Son & Poor White (Timeless Wisdom Collection Book 1529)

This volume contains two of the earlier novels by acclaimed writer Sherwood Anderson: -Windy McPhersons Son - Poor White Windy McPhersons Son is the story of Sam McPhersons rise in the world of business and search for emotional enlightenment in later life. He starts out as an ambitious newsboy in Caxton, Ohio, with drunkard of a father who constantly embarrasses him. Eventually, after his mothers death and an episode with a middle-aged schoolteacher, McPherson leaves Caxton for Chicago, where he gets a job as a buyer of farm implements and establishes his reputation in business. While his professional life is blossoming, his personal life suffers. After meeting Sue Rainey, the daughter of his boss Colonel Rainey, they get married and twice fail to have children... Poor White is the story of an inventor, Hugh McVey, who rises from poverty on the bank of the Mississippi River. In this work, Anderson shows the influence of industrialism on the rural heartland of America.
