Elizabeth Gaskell was one of the most famous writers during the Victorian era. Gaskell's detailed descriptions of the British society during her time has made her books of great interest to scholars of literature and history. Gaskell's most famous works include *North and South*, *Cranford*, and *Wives and Daughters*. *Wives and Daughters* is a classic novel that revolves around the life of Molly Gibson, the daughter of a widowed doctor living in provincial England in the 1830s.
