

Wuthering Heights (Illustrated)

Wuthering Heights, Emily Brontes only novel, is one of the pinnacles of 19th century English literature. Its the story of Heathcliff, an orphan who falls inlove with a girl above his class, loses her, and devotes the rest of his life to wreaking revenge on her family. In early nineteenth-century Yorkshire, the passionate attachment between a headstrong young girl and a foundling boy brought up by her father causes disaster for them and many others, even in the next generation. Includes explanatory notes throughout the text, an introduction discussing the author and the background of the story, and a study guide. This version includes new illustrations.
